

CLONING & MUTATION SERVICES

Cloning with latest technologies

CLONING SERVICES

By Allele Life Sciences Pvt. Ltd.

Allele Life Sciences offers Gene Cloning Services using any DNA sequence of your specification. We will design primers for PCR amplification of the desired sequence from your DNA source (plasmid, or cDNA). The PCR product will be cloned directly into a T/A cloning vector or digested with restriction enzymes and sub cloned into the plasmid vector of your choice

All PCR products will be sequenced (both DNA strands) to ensure sequence integrity.

1

RELIABLE

We are committed for reliable data in your project

2

FAST TURNAROUND

Our experienced team will deliver all projects in fast turnaround

3

AFFORDABLE

We are committed to provide affordable services

DESIGNING

CLONING

SUB CLONING

Plasmid Purification

Primer Synthesis

Sequencing

CLONING SERVICES

Our experienced scientists are committed to deliver best cloning and expression projects.

- **High Quality cDNA Synthesis**
- **Site Directed Mutagenesis**
- **RACE Cloning Service**
- **PCR Cloning & Sub Cloning**
- **Cloning of synthetic gene**

OUR ADVANTAGE :

We undertake the whole project for cloning services . We follow the standard protocols for different arrays for analysis :

- **Reliable verification of clones by sequencing**
- **High throughput and multiple fragment cloning**
- **In-house construction and Plasmid purification**
- **Template DNA or RNA, or their description**
- **Sequence and description of the DNA to be cloned.**
- **Vector description**
- **Primer design for PCR or RT-PCR**
- **Cloning into the vector of your choice.**
- **Sequencing of target DNA in both directions.**

Verification of Cloning :

We provide high quality cloning service at very competitive price. All clones are sequenced verified and guaranteed error-free.

Quotation & Ordering:

For quotation request mail at : mail@allelelifesciences.com or Call - + 91 - 8851361238

Allele Life Sciences Put. Ltd. invest all profits and earnings from contract research services in biological research and philanthropic activities through ChemGeneics Research Foundation. The management , promoters or directors may not take share any profit from earning under license, section-8 Of Indian Company Act 2003. We encourage you to help and support our mission . by availing our services.
